WITHLACOCHEE TRAIL RIDE 2019

When: March 4 & 5, returning home March 6, 2019

Be ready to ride at 1:00, March 4, gathering at the Central Motel.

The Withlacoochee Trail is a 46 mile long rails-to-trails project with a 12-foot wide asphalt surface. The trail lends itself to individual choices of speed and distance. Note - there is a small section of biking on the road to Tuesday lunch.

We stay at the Central Motel (352 726-4515) located adjacent to the trail in Inverness, FL, 721 S. US 41. The motel is approximately 4 hours from Sanibel. I-75 North to exit 314 - West on 48 - then North on US 41.

Call the Central Motel as soon as possible to arrange a room!

We plan to socialize around the pool before the Monday and Tuesday dinners. Please bring your drinks and a snack to share.

This is a fun and casual trip. There are stops along the way. Each rider will ride at their own pace.

More details to follow about lunch and dinner locations.

Please let us know you intend to join us!
